

To add an RSS feed to Google reader:

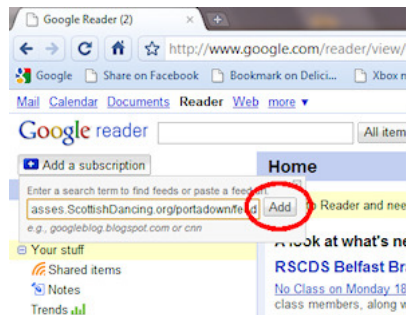

1. Open up your browser.
2. Enter www.google.co.uk/reader into the address bar.
3. Click on the “Add a subscription” button:

4. In the box that pops up enter the address of the RSS feed. In this example we will use the Portadown class announcement feed e.g. “<http://Classes.ScottishDancing.org/portadown/feed>” (without the quotes):

5. Click the Add button:

6. The RSS feed will now be added and you will receive the announcements in your Google reader:
